#### Federal Railroad Administration

[Waiver Petition Docket Nos. RSOR-94-1, RSOP-94-5, RSAD-94-1, HS-94-3, RESQ-94-7]

#### Petition for a Waiver Compliance; Public Hearing

The James River Corporation seeks permanent exemption from all requirements associated with title 49 Code of Federal Regulations parts 217 Railroad Operating Rules, 218 Railroad Operating Practices, 219 Control of Alcohol and Drug Use, 228 Hours of Service, and 240 Qualification of Certification Locomotive Engineers. The James River Corporation operates a plant railroad inside their Naheola paper mill, located in Pennington,

Alabama, and occasionally operates over the Meridian and Bigbee Railroad (MBRR), which is also owned by James River Corporation. The method of operation on the MBRR is yard limits. The petitioner indicates that granting the exemption will greatly facilitate the movement of cars within the yard limits and is in the public interest and will not adversely affect safety.

The Federal Railroad Administration (FRA) has determined that a public hearing be held in this matter. Accordingly, a public hearing is hereby scheduled for 8 a.m., July 19, 1995, in the Police Court Room at 2415 Sixth Street, Meridian, Mississippi. The hearing will be informal and conducted in accordance with Rule 25 of the FRA rules of practice (Title 49 CFR 211.25), by a representative designated by the FRA. The hearing will be a nonadversarial proceeding in which all interested parties will be given the opportunity to express their view regarding this waiver petition.

Issued in Washington, DC., on June 28, 1995.
